

How to Become a Member of ASU Cycling

Thank you for your interest in ASU Cycling! Here is how you can become a member. If you have any questions about the process, please contact us.

1. To start with, you have to sign up for the team on our roster on the DoSportsEasy system (<https://www.dosportseasy.com/sundevilsports/roster.php?h=cycling>). This system is used by the Club Sports organization at ASU to ensure that everyone in our club is ready to participate in a club sport and will stay safe. You cannot participate in club rides and races if you are not cleared on this roster. The system also helps you and us to see the progress of you getting cleared – you will see a green check mark behind your name when you are cleared.

2. Join our Facebook group (<https://www.facebook.com/groups/asucycling/>) so you stay up-to-date with what is going on in the club. You need to have your @asu.edu email address listed on your Facebook profile to be able to request group membership. You can also join us on OrgSync, a system ASU uses to organize student organizations.

3. Make an appointment for a sickle cell test (required by ASU Club Sports). Ideally, you complete this test with ASU Health Services. This is going to be tricky for you if you don't live on campus or don't want to use ASU Health Services. You have to bring a form to the physical and have it filled out by your doctor. ASU Health Services staff will know how to deal with this. The forms can be found on the website of ASU Health Services and are also uploaded to our Facebook group. You need to select the form for new students. If you have to complete your physical off campus, please ask us about the procedure concerning the impact test. Once you have the sickle cell test results, make sure that you communicate the results to Club Sports following the instructions provided by ASU Health Services.

4. Pay the club membership of \$50 to our Treasurer. You can pay via PayPal, check, or cash.

5. Pay the \$25 SDFC (Sun Devil Fitness Complex) sports club fee for our club's use of the SDFC. You can pay online (<https://fitnessonline.asu.edu/>) or in person at the Tempe SDFC. If you are an online student or live more than 75 miles from an ASU campus, we are able to get this fee waived for you so please contact us if this applies to you.

6. Come out and ride with us and come to our meetings (announced in our Facebook group and on our calendar on this website)! If you are not on the Tempe campus, find other people on your campus and/or alumni! The latter is key for online students. Contact us if you are not sure where to start.

7. Ask questions! We are here to help you, no matter what your level and interests are. We strive to support everybody from complete beginner to seasoned, regional- and national-level competitor, across all bike-racing disciplines.

If you are not sure if you want to become a member, please contact us and we can tell you more about our club. Go Devils!
